

SUPPORT *NAME OF ORGANIZATION BEING HELPED* PROGRAM *With fresh locally roasted coffee from Buona Caffe Artisan Roasted Coffee*

Coffee fundraising is a fun, easy way for schools, clubs, teams, youth groups, and other organizations to raise money. We work with your group to create custom blends of coffee to sell to the coffee lovers you know. We also offer premium hot cocoa mixes - perfect for non-coffee drinkers.

Our fundraising program offers a selection of regular and decaf coffees with a generous profit margin on each bag of coffee sold. At the completion of the sales campaign, one coffee will be added to the Buona Caffe website. Sales of that coffee will continue to generate funds for your group!

"Selling with Buona Caffe was efficient and simple. They walked us through the ordering process, putting together the selling materials that made it effective for our team. Orders were shipped fast and Buona did a great job of keeping us informed throughout. Our sales were higher than any fundraiser we had attempted which led to some great benefits for our team in terms of new equipment, warm ups and field maintenance. It's now months after the selling period and parents still come up to me telling me how good the coffee and hot chocolate was. Their products sell and this fundraiser works!"

-JoBen Rivera, Fox Cheek High School soccer coach.
